Brokaw Credit Union Raises \$1,700 for Children’s Miracle Network

Weston, WI – Brokaw Credit Union has been raising money and awareness in support of Children’s Miracle Network (CMN) for over 25 years, and in April, the credit union held their annual basket raffle to benefit this important organization.

Employees came together to donate items to create eight baskets in the spirit of the following themes: birds, fishing, Norwex, cheese and crackers, sweets, game night, kids, and coffee. Tickets were sold throughout April, and members could enter to win baskets while donating to a cause benefiting many in the northcentral Wisconsin community.

“I am so proud of our employees and grateful to our members,” said Michelle Brendemuehl, CMN committee member. “I set a lofty goal of \$1,500 at the beginning of the month, and thanks to everyone’s efforts, reached the goal and then some!”

BCU is grateful to their employees and members as well as Children’s Miracle Network for making a positive difference to families in our community.
